STRANGE BUT TRUE:
Of the 20 peers I had in college in my program, I am the only one still working in my chosen field.

PERSONAL

PERCENT OF TOTAL TIME IN RED WHAT WAS DONE IN GREEN

TIME SPENT ON A SPECIAL PROJECT:

A labor of love, I created 4 posters detailing every woman in the Rock and Roll Hall of Fame in honor of the museum's 30th anniversary.

There was only one statistic that was available that I could use, since the RRHOF does not keep stats by gender, genetic make-up or national origin (it was total number of inductees, which was 726).

All of the statistics I used were created by yours truly, with paper, pens and a calculator.
